

By: Davis of Harris

H.B. No. 3520

A BILL TO BE ENTITLED

AN ACT

1
2 relating to state fiscal matters related to health and human
3 services and state agencies administering health and human services
4 programs.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

6 ARTICLE 1. REDUCTION OF EXPENDITURES AND IMPOSITION OF CHARGES AND
7 COST-SAVING MEASURES GENERALLY

8 SECTION 1.01. This article applies to any state agency that
9 receives an appropriation under Article II of the General
10 Appropriations Act and to any program administered by any of those
11 agencies.

12 SECTION 1.02. Notwithstanding any other statute of this
13 state, each state agency to which this article applies is
14 authorized to reduce or recover expenditures by:

15 (1) consolidating any reports or publications the
16 agency is required to make and filing or delivering any of those
17 reports or publications exclusively by electronic means;

18 (2) extending the effective period of any license,
19 permit, or registration the agency grants or administers;

20 (3) entering into a contract with another governmental
21 entity or with a private vendor to carry out any of the agency's
22 duties;

23 (4) adopting additional eligibility requirements
24 consistent with federal law for persons who receive benefits under

1 any law the agency administers to ensure that those benefits are
2 received by the most deserving persons consistent with the purposes
3 for which the benefits are provided, including under the following
4 laws:

5 (A) Chapter 62, Health and Safety Code (child
6 health plan program);

7 (B) Chapter 31, Human Resources Code (Temporary
8 Assistance for Needy Families program);

9 (C) Chapter 32, Human Resources Code (Medicaid
10 program);

11 (D) Chapter 33, Human Resources Code
12 (supplemental nutrition assistance and other nutritional
13 assistance programs); and

14 (E) Chapter 533, Government Code (Medicaid
15 managed care);

16 (5) providing that any communication between the
17 agency and another person and any document required to be delivered
18 to or by the agency, including any application, notice, billing
19 statement, receipt, or certificate, may be made or delivered by
20 e-mail or through the Internet;

21 (6) adopting and collecting fees or charges to cover
22 any costs the agency incurs in performing its lawful functions; and

23 (7) modifying and streamlining processes used in:

24 (A) the conduct of eligibility determinations
25 for programs listed in Subdivision (4) of this subsection by or
26 under the direction of the Health and Human Services Commission;

27 (B) the provision of child and adult protective

1 services by the Department of Family and Protective Services;

2 (C) the provision of community health services,
3 consumer protection services, and mental health services by the
4 Department of State Health Services; and

5 (D) the provision or administration of other
6 services provided or programs operated by the Health and Human
7 Services Commission or a health and human services agency, as
8 defined by Section 531.001, Government Code.

9 ARTICLE 2. MEDICAID PROGRAM

10 SECTION 2.01. Subchapter A, Chapter 533, Government Code,
11 is amended by adding Sections 533.00291, 533.00292, and 533.00293
12 to read as follows:

13 Sec. 533.00291. CARE COORDINATION BENEFITS. (a) In this
14 section, "care coordination" means assisting recipients to develop
15 a plan of care, including a service plan, that meets the recipient's
16 needs and coordinating the provision of Medicaid benefits in a
17 manner that is consistent with the plan of care. The term is
18 synonymous with "case management," "service coordination," and
19 "service management."

20 (b) The commission shall streamline and clarify the
21 provision of care coordination benefits across Medicaid programs
22 and services for recipients receiving benefits under a managed care
23 delivery model. In streamlining and clarifying the provision of
24 care coordination benefits under this section, the commission shall
25 at a minimum:

26 (1) subject to Subsection (c), establish a process for
27 determining and designating a single entity as the primary entity

1 responsible for a recipient's care coordination;

2 (2) evaluate and eliminate duplicative services
3 intended to achieve recipient care coordination, including care
4 coordination or related benefits provided:

5 (A) by a Medicaid managed care organization;

6 (B) by a recipient's medical or health home;

7 (C) through a disease management program
8 provided by a Medicaid managed care organization;

9 (D) by a provider of targeted case management and
10 psychiatric rehabilitation services; and

11 (E) through a program of case management for
12 high-risk pregnant women and high-risk children established under
13 Section 22.0031, Human Resources Code;

14 (3) evaluate and, if the commission determines it
15 appropriate, modify the capitation rate paid to Medicaid managed
16 care organizations to account for the provision of care
17 coordination benefits by a person not affiliated with the
18 organization; and

19 (4) establish and use a consistent set of terms for
20 care coordination provided under a managed care delivery model.

21 (c) In establishing a process under Subsection (b)(1), the
22 commission shall ensure that:

23 (1) for a recipient who receives targeted case
24 management and psychiatric rehabilitation services, the default
25 entity to act as the primary entity responsible for the recipient's
26 care coordination under Subsection (b)(1) is the provider of
27 targeted case management and psychiatric rehabilitation services;

1 and

2 (2) for recipients other than those described by
3 Subdivision (1), the process includes an evaluation process
4 designed to identify the provider that would best meet the care
5 coordination needs of a recipient and that the commission
6 incorporates into Medicaid managed care program contracts.

7 Sec. 533.00292. CARE COORDINATOR CASELOAD STANDARDS. (a)
8 In this section:

9 (1) "Care coordination" has the meaning assigned by
10 Section 533.00291.

11 (2) "Care coordinator" means a person, including a
12 case manager, engaged by a Medicaid managed care organization to
13 provide care coordination benefits.

14 (b) The executive commissioner by rule shall establish
15 caseload standards for care coordinators providing care
16 coordination under the STAR+PLUS home and community-based services
17 supports (HCBS) program.

18 (c) The executive commissioner by rule may, if the executive
19 commissioner determines it appropriate, establish caseload
20 standards for care coordinators providing care coordination under
21 Medicaid programs other than the STAR+PLUS home and community-based
22 services supports (HCBS) program.

23 (d) In determining whether to establish caseload standards
24 for a Medicaid program under Subsection (c), the executive
25 commissioner shall consider whether implementing the standards
26 would improve:

27 (1) Medicaid managed care organization contract

1 compliance;

2 (2) the quality of care coordination provided under
3 the program;

4 (3) recipient health outcomes; and

5 (4) transparency regarding the availability of care
6 coordination benefits to recipients and interested stakeholders.

7 Sec. 533.00293. INFORMATION SHARING. (a) In this section:

8 (1) "Care coordination" has the meaning assigned by
9 Section 533.00291.

10 (2) "Care coordinator" has the meaning assigned by
11 Section 533.00292.

12 (b) To the extent permitted under applicable federal and
13 state law enacted to protect the confidentiality and privacy of
14 patients' health information, managed care organizations under
15 contract with the commission to provide health care services to
16 recipients shall ensure the sharing of information, including
17 recipient medical records, among care coordinators and health care
18 providers as appropriate to provide care coordination benefits.
19 For purposes of implementing this section, a managed care
20 organization may allow a care coordinator to share a recipient's
21 service plan with health care providers, subject to the limitations
22 of this section.

23 SECTION 2.02. Section 533.0061, Government Code, as added
24 by Chapter 1272 (S.B. 760), Acts of the 84th Legislature, Regular
25 Session, 2015, is amended by amending Subsections (a) and (c) and
26 adding Subsection (d) to read as follows:

27 (a) The commission shall establish minimum provider access

1 standards for the provider network of a managed care organization
2 that contracts with the commission to provide health care services
3 to recipients. The access standards must ensure that a managed
4 care organization provides recipients sufficient access to:

- 5 (1) preventive care;
- 6 (2) primary care;
- 7 (3) specialty care;
- 8 (4) [~~after-hours~~] urgent care;
- 9 (5) chronic care;
- 10 (6) long-term services and supports;
- 11 (7) nursing services;
- 12 (8) therapy services, including services provided in a
13 clinical setting or in a home or community-based setting; and
- 14 (9) any other services identified by the commission.

15 (c) The commission shall biennially submit to the
16 legislature and make available to the public a report containing
17 information and statistics about recipient access to providers
18 through the provider networks of the managed care organizations and
19 managed care organization compliance with contractual obligations
20 related to provider access standards established under this
21 section. The report must contain:

22 (1) a compilation and analysis of information
23 submitted to the commission under Section [533.005\(a\)\(20\)\(D\)](#);

24 (2) for both primary care providers and specialty
25 providers, information on provider-to-recipient ratios in an
26 organization's provider network, as well as benchmark ratios to
27 indicate whether deficiencies exist in a given network; [~~and~~]

1 (3) a description of, and analysis of the results
2 from, the commission's monitoring process established under
3 Section 533.007(1); and

4 (4) a detailed analysis of recipient access to urgent
5 care providers, including:

6 (A) an analysis of the implementation of any
7 distance standard adopted under Section 32.0248(b)(1), Human
8 Resources Code;

9 (B) information on urgent care
10 provider-to-recipient ratios; and

11 (C) information and statistics about
12 organization compliance with contractual obligations related to
13 urgent care access standards, including standards established
14 under Section 32.0248, Human Resources Code, and any other
15 applicable standards.

16 (d) In this section, "urgent care provider" has the meaning
17 assigned by Section 32.0248, Human Resources Code.

18 SECTION 2.03. Subchapter B, Chapter 32, Human Resources
19 Code, is amended by adding Section 32.0248 to read as follows:

20 Sec. 32.0248. INCREASING ACCESS TO URGENT CARE PROVIDERS.

21 (a) In this section, "urgent care provider" means a health care
22 provider that:

23 (1) provides episodic ambulatory medical care to
24 individuals outside of a hospital emergency room setting;

25 (2) does not require an individual to make an
26 appointment;

27 (3) provides some services typically provided in a

1 primary care physician's office; and

2 (4) treats individuals requiring treatment of an
3 illness or injury that requires immediate care but is not
4 life-threatening.

5 (b) The executive commissioner shall adopt rules and
6 policies to increase recipient access to urgent care providers
7 under the medical assistance program. In adopting the rules and
8 policies under this subsection, the executive commissioner shall
9 consider:

10 (1) whether to establish a distance standard to ensure
11 that all recipients have access to at least one urgent care provider
12 within a specified distance of the recipient's residence;

13 (2) requiring that the medical assistance program
14 provider database established under Section 32.102 accurately
15 identify urgent care providers;

16 (3) requiring each managed care organization that
17 contracts with the commission under Chapter 533, Government Code,
18 to provide health care services to medical assistance recipients
19 to:

20 (A) improve the accuracy and accessibility of
21 information regarding urgent care providers in the managed care
22 organization's provider network directory required under Section
23 533.0063, Government Code; and

24 (B) if the organization maintains a nurse
25 telephone hotline for its enrolled recipients, provide information
26 to recipients, if appropriate, on the availability of services
27 through in-network urgent care providers; and

1 (4) encouraging primary care physicians participating
2 in the medical assistance program to maintain a relationship with
3 urgent care providers for purposes of referring recipients in need
4 of urgent care.

5 (c) In addition to adopting rules and policies under
6 Subsection (b), to increase medical assistance recipients' access
7 to urgent care providers, the commission shall consider whether to
8 amend the Medicaid state plan to permit urgent care providers to
9 enroll as facility providers under the medical assistance program.

10 (d) The commission shall consider implementing a process to
11 streamline provider enrollment and credentialing for urgent care
12 providers, including applying the requirements of Sections
13 533.0055 and 533.0064, Government Code, to those providers.

14 SECTION 2.04. As soon as practicable after the effective
15 date of this article, the executive commissioner of the Health and
16 Human Services Commission shall adopt the rules required by Section
17 32.0248, Human Resources Code, as added by this article.

18 SECTION 2.05. This article takes effect immediately if this
19 Act receives a vote of two-thirds of all the members elected to each
20 house, as provided by Section 39, Article III, Texas Constitution.
21 If this Act does not receive the vote necessary for this article to
22 have immediate effect, this article takes effect September 1, 2017.

23 ARTICLE 3. MENTAL HEALTH SERVICES

24 SECTION 3.01. Subchapter B, Chapter 531, Government Code,
25 is amended by adding Section 531.0993 to read as follows:

26 Sec. 531.0993. GRANT PROGRAM TO REDUCE RECIDIVISM, ARREST,
27 AND INCARCERATION AMONG INDIVIDUALS WITH MENTAL ILLNESS AND TO

1 REDUCE WAIT TIME FOR FORENSIC COMMITMENT. (a) For purposes of this
2 section, "low-income household" means a household with a total
3 income at or below 200 percent of the federal poverty guideline.

4 (b) Using money appropriated to the commission for that
5 purpose, the commission shall make grants to county-based community
6 collaboratives for the purposes of reducing:

7 (1) recidivism by, the frequency of arrests of, and
8 incarceration of persons with mental illness; and

9 (2) the total waiting time for forensic commitment of
10 persons with mental illness to a state hospital.

11 (c) A community collaborative is eligible to receive a grant
12 under this section only if the collaborative includes a county, a
13 local mental health authority that operates in the county, and each
14 hospital district, if any, located in the county. A community
15 collaborative may include other local entities designated by the
16 collaborative's members.

17 (d) The commission shall condition each grant provided to a
18 community collaborative under this section on the collaborative
19 providing matching funds from non-state sources in a total amount
20 at least equal to the awarded grant amount. To raise matching
21 funds, a collaborative may seek and receive gifts, grants, or
22 donations from any person.

23 (e) The commission shall estimate the number of cases of
24 serious mental illness in low-income households located in each of
25 the 10 most populous counties in this state. For the purposes of
26 distributing grants under this section to community collaboratives
27 established in those 10 counties, for each fiscal year the

1 commission shall determine an amount of grant money available on a
2 per-case basis by dividing the total amount of money appropriated
3 to the commission for the purpose of making grants under this
4 section in that year by the estimated total number of cases of
5 serious mental illness in low-income households located in those 10
6 counties.

7 (f) The commission shall make available to a community
8 collaborative established in each of the 10 most populous counties
9 in this state a grant in an amount equal to the lesser of:

10 (1) an amount determined by multiplying the per-case
11 amount determined under Subsection (e) by the estimated number of
12 cases of serious mental illness in low-income households in that
13 county; or

14 (2) an amount equal to the collaborative's available
15 matching funds.

16 (g) To the extent appropriated money remains available to
17 the commission for that purpose after the commission awards grants
18 under Subsection (f), the commission shall make available to
19 community collaboratives established in other counties in this
20 state grants through a competitive request for proposal process.
21 For purposes of awarding a grant under this subsection, a
22 collaborative may include adjacent counties if, for each member
23 county, the collaborative's members include a local mental health
24 authority that operates in the county and each hospital district,
25 if any, located in the county. A grant awarded under this
26 subsection may not exceed an amount equal to the lesser of:

27 (1) an amount determined by multiplying the per-case

1 amount determined under Subsection (e) by the estimated number of
2 cases of serious mental illness in low-income households in the
3 county or counties; or

4 (2) an amount equal to the collaborative's available
5 matching funds.

6 (h) The community collaboratives established in each of the
7 10 most populous counties in this state shall submit to the
8 commission a plan that:

9 (1) is endorsed by each of the collaborative's member
10 entities;

11 (2) identifies a target population;

12 (3) describes how the grant money and matching funds
13 will be used;

14 (4) includes outcome measures to evaluate the success
15 of the plan, including the plan's effect on reducing state hospital
16 admissions of the target population; and

17 (5) describes how the success of the plan in
18 accordance with the outcome measures would further the state's
19 interest in the grant program's purposes.

20 (i) A community collaborative that applies for a grant under
21 Subsection (g) must submit to the commission a plan as described by
22 Subsection (h). The commission shall consider the submitted plan
23 together with any other relevant information in awarding a grant
24 under Subsection (g).

25 (j) The commission must review and approve plans submitted
26 under Subsection (h) or (i) before the commission distributes a
27 grant under Subsection (f) or (g). If the commission determines

1 that a plan includes insufficient outcome measures, the commission
2 may make the necessary changes to the plan to establish appropriate
3 outcome measures. The commission may not make other changes to a
4 plan submitted under Subsection (h) or (i).

5 (k) Acceptable uses for the grant money and matching funds
6 include:

7 (1) the continuation of a mental health jail diversion
8 program;

9 (2) the establishment or expansion of a mental health
10 jail diversion program;

11 (3) the establishment of alternatives to competency
12 restoration in a state hospital, including outpatient competency
13 restoration, inpatient competency restoration in a setting other
14 than a state hospital, or jail-based competency restoration;

15 (4) the provision of assertive community treatment or
16 forensic assertive community treatment with an outreach component;

17 (5) the provision of intensive mental health services
18 and substance abuse treatment not readily available in the county;

19 (6) the provision of continuity of care services for
20 an individual being released from a state hospital;

21 (7) the establishment of interdisciplinary rapid
22 response teams to reduce law enforcement's involvement with mental
23 health emergencies; and

24 (8) the provision of local community hospital, crisis,
25 respite, or residential beds.

26 (1) Not later than December 31 of each year for which the
27 commission distributes a grant under this section, each community

1 collaborative that receives a grant shall prepare and submit a
2 report describing the effect of the grant money and matching funds
3 in achieving the standard defined by the outcome measures in the
4 plan submitted under Subsection (h) or (i).

5 (m) The commission may make inspections of the operation and
6 provision of mental health services provided by a community
7 collaborative to ensure state money appropriated for the grant
8 program is used effectively.

9 (n) The commission shall enter into an agreement with a
10 qualified nonprofit or private entity to serve as the administrator
11 of the grant program at no cost to the state. The administrator
12 shall assist, support, and advise the commission in fulfilling the
13 commission's responsibilities with respect to the grant program.
14 The administrator may advise the commission on:

15 (1) design, development, implementation, and
16 management of the program;

17 (2) eligibility requirements for grant recipients;

18 (3) design and management of the competitive bidding
19 processes for applications or proposals and the evaluation and
20 selection of grant recipients;

21 (4) grant requirements and mechanisms;

22 (5) roles and responsibilities of grant recipients;

23 (6) reporting requirements for grant recipients;

24 (7) support and technical capabilities;

25 (8) timelines and deadlines for the program;

26 (9) evaluation of the program and grant recipients;

27 (10) requirements for reporting on the program to

1 policy makers; and

2 (11) estimation of the number of cases of serious
3 mental illness in low-income households in each county.

4 ARTICLE 4. CHILD PROTECTIVE AND PREVENTION AND EARLY INTERVENTION
5 SERVICES

6 SECTION 4.01. Subchapter A, Chapter 261, Family Code, is
7 amended by adding Section 261.004 to read as follows:

8 Sec. 261.004. TRACKING OF RECURRENCE OF CHILD ABUSE OR
9 NEGLECT REPORTS. The department shall collect, compile, and
10 monitor data regarding repeated reports of abuse or neglect
11 involving the same child or by the same alleged perpetrator. In
12 compiling reports under this section, the department shall group
13 together separate reports involving different children residing in
14 the same household.

15 SECTION 4.02. Subchapter A, Chapter 265, Family Code, is
16 amended by adding Sections 265.0041 and 265.0042 to read as
17 follows:

18 Sec. 265.0041. GEOGRAPHIC RISK MAPPING FOR PREVENTION AND
19 EARLY INTERVENTION SERVICES. (a) The department shall use
20 existing risk terrain modeling systems, predictive analytics, or
21 geographic risk assessments to:

22 (1) identify geographic areas that have high risk
23 indicators of child maltreatment and child fatalities resulting
24 from abuse or neglect; and

25 (2) target the implementation and use of prevention
26 and early intervention services to those geographic areas.

27 (b) The department may not use data gathered under this

1 section to identify a specific family or individual.

2 Sec. 265.0042. COLLABORATION WITH INSTITUTIONS OF HIGHER
3 EDUCATION. (a) The Health and Human Services Commission, on behalf
4 of the department, shall enter into agreements with institutions of
5 higher education to conduct efficacy reviews of any prevention and
6 early intervention programs that have not previously been evaluated
7 for effectiveness through a scientific research evaluation
8 process.

9 (b) The department shall collaborate with an institution of
10 higher education to create and track indicators of child well-being
11 to determine the effectiveness of prevention and early intervention
12 services.

13 SECTION 4.03. Section 265.005(b), Family Code, is amended
14 to read as follows:

15 (b) A strategic plan required under this section must:

16 (1) identify methods to leverage other sources of
17 funding or provide support for existing community-based prevention
18 efforts;

19 (2) include a needs assessment that identifies
20 programs to best target the needs of the highest risk populations
21 and geographic areas;

22 (3) identify the goals and priorities for the
23 department's overall prevention efforts;

24 (4) report the results of previous prevention efforts
25 using available information in the plan;

26 (5) identify additional methods of measuring program
27 effectiveness and results or outcomes;

1 (6) identify methods to collaborate with other state
2 agencies on prevention efforts; ~~and~~

3 (7) identify specific strategies to implement the plan
4 and to develop measures for reporting on the overall progress
5 toward the plan's goals; and

6 (8) identify specific strategies to increase local
7 capacity for the delivery of prevention and early intervention
8 services through collaboration with communities and stakeholders.

9 ARTICLE 5. FEDERAL AUTHORIZATION; EFFECTIVE DATE

10 SECTION 5.01. If before implementing any provision of this
11 Act a state agency determines that a waiver or authorization from a
12 federal agency is necessary for implementation of that provision,
13 the agency affected by the provision shall request the waiver or
14 authorization and may delay implementing that provision until the
15 waiver or authorization is granted.

16 SECTION 5.02. Except as otherwise provided by this Act,
17 this Act takes effect September 1, 2017.
